

# Code of Conduct

## Welcome!

Here is what we all need to do to help keep each other safe and healthy.

### **Before entering:**

1. Answer 3 questions about your health situation
2. Sanitize your hands

### **In the facility:**

1. Practice great hygiene - wash your hands often, avoid touching your face, use cough/sneeze etiquette
2. Physical distancing - follow the arrows and social distancing protocol found throughout the facility
3. Ensure you clean the equipment BEFORE and AFTER you use it
4. Most of all be patient and kind. We are all navigating these new waters together and will be learning as we go!
